Diane Delaney from Sioux City Foundry called

Was served with Writ and Notice of Garnishment by a man in a suit. The sheet was not attached as it usually is regarding instructions. She is not sure how much to garnish. She called Pirog, Atty to whom writ was issued and he said he couldn't answer her questions as he represented plaintiff. She called the U.S. Marshal and they seemed vague about it and suggested she call us.

Defendant	)	Defendant

TO THE ABOVE NAMED DEFENDANT(S):

TRACY ALLEN COMBS

YOU ARE HEREBY NOTIFIED that a Garnishment was issued based on a Judgment against you and the Garnishment was serviced on your employer, Sioux City Foundry, Co.

YOU ARE FURTHER NOTIFIED that unless you file a Motion, Answer, or other appropriate pleading to contest the Garnishment with ten (10) days from the date of this Notice was served on you explaining why you think these funds are exempt from execution under state or federal law, a Court Order will be entered condemning the funds and the funds will be applied against the Judgment. Some examples of exempt funds may include social security benefits, AFDC general assistance, veteran's benefits, and unemployment compensation. These examples are not a complete list and are not meant to be.

ANY Motion, Answer or other pleading that you file to contest the Garnishment must be filed in the Office of the Clerk of the U. S. Bankruptcy Court located at 320 6<sup>th</sup> St, Sioux City, IA . If you file to contest the Garnishment, a prompt hearing will be set and you will be notified of the hearing. At the hearing, you should be ready to explain to the Judge why you believe your property is exempt from the Garnishment.

Section 642.14 of the Iowa Code requires that you be told the exact language of Section 630.3A of the Iowa Code. That Section reads:

At any time after the rendition of judgment the court, upon application of the judgment creditor or the judgment debtor and upon notice to the adverse party as the court shall direct, shall conduct a hearing to determine the reasonably expected annual earnings of the judgment debtor for the current calendar year and the applicable limitation upon garnishment as provided in Section 642.21. The court shall also consider the interest of justice whether a greater amount than provided in Section 642.21 shall be exempt from garnishment. In making the determination, the court shall consider the age, number and circumstances of the defendant of the debtor, existing federal property guidelines, the debtor's maintenance and support needs, the debtor's other financial obligations and any other relevant information. An order reducing the garnishment may be modified or vacated upon the application of a party to the court, notice to the adverse party, and a showing at a hearing of changed circumstances. An additional filing fee shall not be assessed for proceedings under this section.

YOU MAY WISH TO CONSULT A LAWYER FOR ADVICE AS TO THE MEANING OF THIS NOTICE.
